Subject: Des Moines TCE Site Redevelopment

Ed & Mary,

We are pleased to be meeting with you about this site on Wednesday morning.

For DNR, we expect to have the following participants: myself, Director Chuck Gipp, Amie Davidson (solid waste/contaminated sites), and David Scott (legal). We do not plan to have any of our technical staff in the meeting.

We are planning on meeting with the two of you in Chuck's office on the fourth floor of the Wallace Building. If you plan to bring others, we would appreciate knowing.

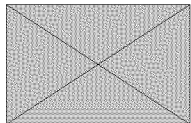

Just as an FYI, Des Moines city council-woman, Christine Hensley, was quoted in a local paper last week that one of the city's six goals is to get this site productive again. Our timing for this meeting looks to be very good.

Thanks in advance for making the trip to Des Moines.

Bill
